

NEVER NEVER LAND

A group exhibition with

Jasmine Mansbridge (Melbourne)

Neil Tomkins (Sydney)

Tim Fry (Byron Bay)

NOV 23 - DEC 6, 2022

Opening Night Friday 25th NOV

Never Never Land conjures up feelings of escapism, the chasing of shadows, dreams half remembered and nostalgic Utopian worlds. It hints at the idealistic notions reminiscent of childhood, the places you go to and it pains you to return from. Memories there are wrapped up in scent, sound and touch. The things we don't have enough time for in the racing, demanding pace of adult life.

Never Never Land is part Peter Pan, part remote Australia, part wishing tree, part family, part Salvador Dali. Love can be lost and found here.
